What is SYT's Junior Advisor Board (JAB)?

The Junior Advisory Board (JAB for short) is a group of 10th-12th graders with a passion for the performing arts and for serving the Spartanburg Youth Theatre (SYT). JAB members apply for a spot on the board and must have been involved onstage or backstage in at least two previous SYT productions before they can apply.

JAB exists to allow the youth to have a voice at SYT. They give the SYT director valuable input regarding shows and productions. JAB also provides extensive services to the theatre, including but not limited to assisting with auditions and audition workshops, participating in at least two SYT productions each season, and producing the annual Senior Showcase.

Each May rising 10th-12th graders interested in applying for JAB will have the opportunity to submit an application that will be posted to the SYT website and Facebook page.

A Word from SYT

Last year, I celebrated my 2-year wedding anniversary with my wife, Kelsey. I surprised her with a trip to the same Airbnb we had for our honeymoon. The fun thing about returning to a place you have been before is how familiar it seems, yet how many things aren't quite as you remembered. Coming back to a theatre season last year after 18 months off was much like that! Last season was exhilarating, exciting, and also terrifying. While we have a well-oiled machine, that machine had laid dormant for almost 2 years, so there was a lot of remembering, "How do I do this again!?" SYT is running better than ever, and we're so excited to have you back this year for classics that will feel brand new, and new shows that will feel like classics you've known all your life.

If you're experiencing SYT for the first time, or if SYT has been your theatre home for years, we're so glad you're here and part of the SYT family!

Adam Sanders
Artistic Director Spartanburg Youth Theatre

Director's Note

Famous mime Tony Montanaro wrote, "Before a fear is exposed, it is an invisible and pervasive restriction, interfering with thought, movement, and expression. For this reason, I believe that every confrontation with fear is an invaluable step toward personal freedom and physical eloquence." As a director and acting teacher, I often find myself reminding people of all ages that creativity and spontaneity are greatly burdened by fear; to be your most authentic artist, you must do what scares you to liberate yourself from your self-imposed limitations. A show like *Dragons Love Tacos* forces us to do just that—embrace our whimsy, lean into our wildest dreams, and run screaming head-first into everything that seems hard and terrifying and exhausting! After all, with a little drive and determination, amazing things can happen 😊.

I hope you feel a little freer after watching.
