SHOW INFO:

You know what dragons really love? Tacos of course! A boy and his dog are watching a TV show about dragons when they unexpectedly get caught up in the "Do's and Don'ts" of what to serve dragons to eat. The #1 New York Times bestselling book comes to life in a big way as the taco party of all taco parties literally brings down the house. This deliciously funny story will have you laughing out loud and wishing you had read the fine print more closely: "Now Made With Spicy Jalapeno Peppers!"
